

BOSTON HILL TRAILS & OPEN SPACE

This map was initiated by a VIVA Connects Community Grant, which culminated into a larger collaborative project between the Gila Trail & Open Space Coalition, SWNMACT, the Town of Silver City, the Town Trails Advisory Committee, and many active citizen volunteers. Care was taken in the creation of this map. No agencies nor individuals, including the map creator, can or will accept any responsibility for errors, omissions, or positional accuracy. Created by Opening Spaces, September 2020.
